

**Tim P. Simpson, Jr. – Managing Member - Owner
Simpson & Associates SDVOSB, LLC.
Oregon Secretary of State Registry # 349768-94**

Beginning in the coatings industry as a part time apprentice painter in 1985 Tim P. Simpson, Jr. worked under various jobsite foremen on coatings & finishes projects varying from wastewater treatment facilities, to wall-coverings in high rise hotels and churches to painting office structures and retail buildings.

After graduation from high school Tim, Jr. enlisted in the Army and served two tours including Korea and elsewhere. After receiving injuries in the line of duty Tim, Jr. retired from the military with an honorable discharge as a service disabled veteran. Tim, Jr. relocated to Oregon and attended college, graduating from Southern Oregon State University in 1999.

Tim P. Simpson, Jr. has handled sales, marketing and project management for the Floor Coatings Division of Simpson & Associates. Since graduation SOU in 1999 he has been actively involved in the development of Simpson & Associates, and its market potentials for the past 20 years. He brings a background of experience developed in field operations, industry specific training and expanded into management over the years to the new Service Disabled Veteran Owned Small Business, Simpson & Associates SDVOSB, LLC.

Tim P. Simpson Jr's track record of experience in contracting with a variety of government agencies for the last decade including Federal, State, County and Municipal government bodies uniquely positions him to further expand business potentials in this growing market sector. The opportunities to offer the same services he has been providing to various agencies, but under the enhanced status of a Service Disabled Veteran owned business offer expanded opportunities to secure Disabled Veteran Owned Set-Aside project opportunities.

Simpson & Associates SDVOSB, LLC has also expanded into International Exportation of Materials and Training into South America.

Tim, Jr's abilities in training and field management enhanced with his working knowledge and certifications in the Concrete Repair & Restoration Industry make his management of our Team Training Program essential to the vitality and growth of Simpson & Associates SDVOSB, LLC.
